The Twits

WORMY SPAGHETTI

The next day, to pay Mr Twit back for the frog trick, Mrs Twit sneaked out into the garden and dug up some worms. She chose the big long ones and put them in a tin and carried the tin back to the house under her apron.

At one o' clock, she cooked spaghetti for lunch and she mixed the worms in with the spaghetti, but only on her husband's plate. The worms didn't show because everything was covered with tomato sauce and sprinkled with cheese.

Have you ever played a trick on a friend or someone in your family? Maybe it was an April Fool's Day joke? What did you do? What was their reaction?

If you haven't, imagine what kind of trick you would like to play, or draw a picture to show your trick.
