## METAMORPHOSIS

*'The alarm has gone off!' shrieked The Grand High Witch. 'The Mouse-Maker is beginning to vurrk!' She started hopping about on the platform and clapping her gloved hands together and then she shouted out,*

*'This smelly brrrat, this filthy scum  
This horrid little louse  
Vill very very soon become  
A lovely little MOUSE!'*

*Bruno was getting smaller by the second. I could see him shrinking . . .  
Now his clothes seemed to be disappearing and brown fur was growing all over his body . . .  
Suddenly he had a tail . . .  
And then he had whiskers . . .  
Now he had four feet . . .  
It was all happening so quickly . . .  
It was a matter of seconds only . . .  
And all at once he wasn't there any more . . . A small brown mouse was running around  
on the table top . . .*

**Make up a storyboard to show the different stages in this episode from *The Witches* as Bruno turned from a greedy boy into a tiny mouse.**

Under each picture, write what is going on. We've done the first box for you.

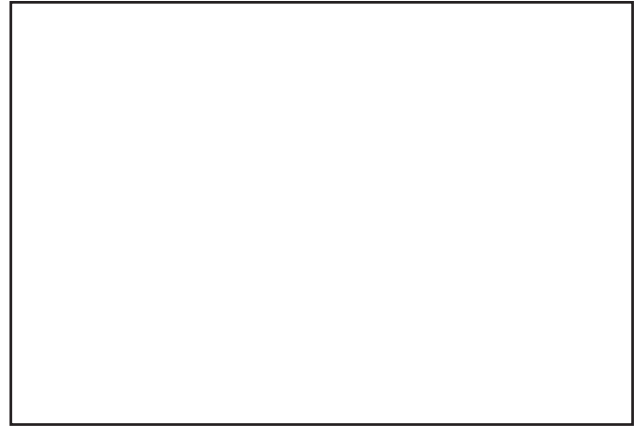

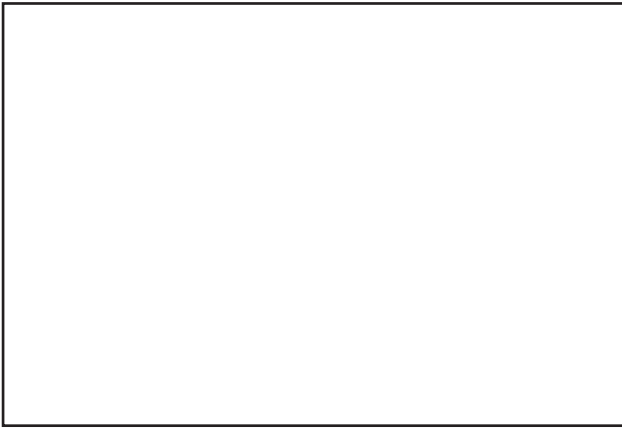

How does that person behave? How do you feel towards them?
